EXPERTISE IN THE SETTING UP AND MANAGEMENT OF EUROPEAN PROJECTS
Over the past ten years Campus France has acquired an international reputation for expertise in the setting up and management of projects funded by the European Union.

The Agency has developed an international network of partners, and as such coordinates and participates in a large number of actions alongside its European counterparts, French higher education institutions and research bodies.

A PUBLIC AGENCY UNDER THE SUPERVISION OF THE FRENCH MINISTRIES OF EUROPE AND FOREIGN AFFAIRS AND OF HIGHER EDUCATION, RESEARCH AND INNOVATION:

- Is supported by its world-wide network of Campus France offices
- Works closely with higher education institutions and research organizations that are members of the Campus France Forum
- Uses the Agency’s professional skills (Promotion, Management of mobility programmes, Hosting services, Studies, Web, etc.)
- Participates in leading international events (EAIE, Going Global, G7/G20)
- Supports projects led by French and European institutions

**PRESTIGE**

Marie Curie Action - COFUND (7th Framework Programme)

The PRESTIGE programme supports international researchers in all scientific fields by offering co-financing grants for postdoctoral mobility to or from France.

**STUDY IN EUROPE**

Enhancing the attractiveness of European Higher Education in the world

Campus France coordinates the Study in Europe project that aims to increase the attractiveness of Europe as a study destination for non-European students. Activities include the organization of a series of European fairs, the implementation of an integrated communication campaign, particularly via social media, the management of the Study in Europe web portal and the organization of webinars.

Higher and Further Education Opportunities and Perspectives for Syrians

This project, funded by the European Union’s “Madad Fund” aims at helping Syrian refugees and young persons from the host communities to gain access to higher education in the neighbouring countries of Syria (Egypt, Iraq, Jordan, Lebanon, Turkey) via scholarships, language training courses, institutional actions and political dialogue events.

European Mobilisation for Entrepreneurship in Africa

With this programme, Campus France pursues its action of accompanying African graduates from French higher education institutions in their business start-up projects in Africa. Through MEETAfrica, Campus France provides these entrepreneurs with a range of tailor-made support services.

EU Support to Higher Education in the ASEAN Region

The SHARE project aims at improving the quality, regional competitiveness and internationalisation of higher education institutions in the ASEAN region. The action is structured around three areas: political dialogue, quality assurance, credit transfer / student mobility.

Campus France is regularly consulted by the European Commission on higher education promotion strategy and participates in the working groups of the Directorate General for Education and Culture.
Placed under the supervision of the Ministries responsible for Foreign Affairs and Higher Education and Research, the main missions of Campus France are the promotion of French higher education overseas, the hosting of international students in France and the management of scholarship programmes for the French and foreign governments.
