

Université de Corse

PROFILE

Founded in 1765 and reopened in 1981, Université de Corse Pascal Paoli is a comprehensive university that offers more than 100 different degrees in 7 areas:

- Faculty of law, social sciences, economics, and management,
- Faculty of science and technology,
- Faculty of letters, languages, arts, humanities, and social sciences
- University institute of health,
- University institute of technology (IUT),
- Institute of business administration (IAE),
- Higher School for Teaching and Education (ESPE).

Université de Corse has a faculty of 300 and an enrollment of 4,500 étudiants, more than 300 of whom are international students from around 60 different countries.

Main programmes of study

Université de Corse offers programs in several broad areas: letters, languages, arts; humanities and social sciences; law, economics, and management; science and technology; health; and physical education, with many specialties, such as environment, responsible exploitation of natural resources, renewable energy, regional development, sustainable tourism, management, local government, computer science, major risks, communication, languages, humanities and social sciences, and engineering.

Research

The research effort at Université de Corse hinges on 7 multidisciplinary projects, all recognized by CNRS: • Forest fires

- Renewable energy
- Natural resources
- Water resource management in the Mediterranean region
- Information and communication technology
- Regional dynamics and sustainable development
- Identity and culture: protecting heritage.

Research units are integrated within the doctoral department on environment and society (ED n° 377).

Photograph provided by the institution

Strengths

Students benefit from the services of many offices: library, computer rooms, a language laboratory, a cultural program and a dynamic athletic department. The university's office of international relations provides orientation, information, and support for international students. An online international student guide available at www.univ-corse.fr (International / Etudiants internationaux)

Location

The strategic Mediterranean crossroads of Corsica has a single university Université de Corse Pascal Paoli. Small and intimate, the university offers an excellent academic environment in a natural and cultural setting. Corte, in the heart of the Corsican mountains, is a small city with good connections to the islands two major cities, Corse Bastia and Ajaccio.
