The "Bienvenue en France" label is awarded to institutions offering international student services that meet standards of quality pertaining to information, reception upon arrival, study aids, campus life, and alumni networking. Centrale Nantes School of engineering, was awarded the "Bienvenue en France" label at level 3 for four years on 20/05/2021.

Centrale Nantes is a top-ranking school on the international stage. Centrale Nantes, founded in 1919, trains versatile engineers to a very high scientific and technical level. Equipped with a strong managerial culture, they are capable of placing scientific subjects into a global context incorporating environmental and societal issues. With the support of numerous strong institutional and industrial partnerships Centrale Nantes produces world-class academic and applied research. Research and education have always gone hand in hand at the school.
