'BIENVENUE EN FRANCE' LABEL

## ÉCOLE NATIONALE SUPÉRIEURE DES MINES DE SAINT-ÉTIENNE

# MINES SAINT-ETIENNE

The 'Bienvenue en France' Label is awarded to higher education institutions that develop quality-driven services for international students. Such services include comprehensive information, orientation and welcome services, tutoring, campus life, as well as post-graduate support. In addition, a proven commitment to sustainable development and social and environmental responsibility must be provided.

Welcome to École Nationale Supérieure des Mines de Saint-Étienne.

Alongside our top-level engineering programmes, strong academic reputation and excellent employment prospects, we offer a remarkable student-to-staff ratio (5 to 1), personalised one-to-one tutoring, and a multicultural campus environment where 30% of our students come from abroad.

We provide all the benefits of a Small Technological University:

- A dedicated team to welcome and support international students;
- Welcome events organised by the School or in partnership with local Student Welcome Desks;
- Continuous support from our International Office.

Our campuses are located in two of the most beautiful regions of France: Auvergne-Rhône-Alpes (Saint-Étienne campus) and in Provence (Gardanne campus, near Aix-Marseille).

Why not come and see for yourself?
