The "Bienvenue en France" label is awarded to institutions offering international student services that meet standards of quality pertaining to information, reception upon arrival, study aids, campus life, and alumni networking. ENSAI École Nationale de la Statistique et de l'Analyse de l'Information, was awarded the "Bienvenue en France" label at level 2 for four years on .

ENSAI is one of France's top graduate schools for Data Science. Its close ties with research laboratories, notably CREST, and its historic links to the the French National Institute of Statistics and Economic Studies (INSEE) reinforce its status as a prestigious Grande École.

ENSAI offers a diplôme d'ingénieur program, the innovative Master for Smart Data Science, taught entirely in English, the EMOS-labelled Master in Data Science for Public Decision Making, as well as a PhD program.
