The "Bienvenue en France" label is awarded to institutions offering international student services that meet standards of quality pertaining to information, reception upon arrival, study aids, campus life, and alumni networking. École Supérieure d'Agricultures d'Angers, was awarded the "Bienvenue en France" label at level 2 for four years on 22/09/2021.

Founded in 1898, ESA is a multidisciplinary Higher education and research institution whose areas of expertise range from agricultural production to land-use planning. Located in western France, in France's principal agricultural and agri-food region, ESA focuses on the realities of Europe and the world. Our mission is to teach students the scientific, technical and professional skills needed to address the economic, social, intercultural and geopolitical realities of our century. 3400 students enrolled, among them 10% from abroad.
