

OCCITANIE

'BIENVENUE EN FRANCE' LABEL

CIHEAM MONTPELLIER

INSTITUT AGRONOMIQUE

The 'Bienvenue en France' Label is awarded to higher education institutions that develop quality-driven services for international students. Such services include comprehensive information, orientation and welcome services, tutoring, campus life, as well as post-graduate support. In addition, a proven commitment to sustainable development and social and environmental responsibility must be provided.

The vocation of CIHEAM Montpellier is to welcome international Mediterranean students who represent 99% of our students! Our experience of multiculturalism, as well as our size allow us to provide a personalized welcome on the administrative, academic and logistical levels. This over 60 years of know-how is recognized by the "Bienvenue en France" label, which awarded us 3 stars, the highest level of recognition for our investment in welcoming international students. Our strategic priorities revolve around four pillars: zero waste, whether in terms of food, natural resources, or knowledge; sustainable agricultural and food systems; attractive rural areas to live and work there; risk prevention and resolution of tensions. CIHEAM Montpellier is accredited to deliver the French Master's degree. Our international opening is facilitated by the fact that our M2 are modular and capitalizable, credited according to ECTS standards. In addition, we adhere to the European ERASMUS charter.
