The "Bienvenue en France" label is awarded to institutions offering international student services that meet standards of quality pertaining to information, reception upon arrival, study aids, campus life, and alumni networking. ISAE-SUPAERO Aerospace Engineering, was awarded the "Bienvenue en France" label at level 3 for four years on 16/10/2019.

The Institute of Aeronautics and Space (ISAE-SUPAERO) is an institution with an international vocation and influence. The institute holds academic partnerships with 105 universities in 31 countries and on 5 continents. ISAE-SUPAERO welcomes 40% of international students each year in under-agreement or individual mobility in the various programs such as the Master of Science in Aerospace Engineering, the Spring Semester in Aerospace Engineering, the Advanced Masters, the "diplôme d'ingénieur", PhDs. In order to welcome foreign students in the best conditions, ISAE-SUPAERO offers numerous welcoming and support services such as the Toul'Box service organized by the Federal University of Toulouse, French language courses on campus, cultural integration activities. The Campus has 6 student residences with priority access to all our foreign students.

WELCOME
