

IMT MINES ALBI

ECOLE DE L'INSTITUT MINES-TÉLÉCOM

The 'Bienvenue en France' Label is awarded to higher education institutions that develop quality-driven services for international students. Such services include comprehensive information, orientation and welcome services, tutoring, campus life, as well as post-graduate support. In addition, a proven commitment to sustainable development and social and environmental responsibility must be provided.

Generalist, humanist, innovative and international engineer... and why not you?

If you want to benefit from a general engineering education, a specialized master's or a master of science, if you are looking for a school that listens to your desires and your talents while building an exciting professional and personal project, join IMT Mines Albi!
