The "Bienvenue en France" label is awarded to institutions offering international student services that meet standards of quality pertaining to information, reception upon arrival, study aids, campus life, and alumni networking. IMT Atlantique Technological University, was awarded the "Bienvenue en France" label at level 3 for four years on .

IMT Atlantique is a «Grande Ecole» of engineering and a research center combining Digital, Energy and Environment. It is a member of the Institut Mines-Télécom (IMT) - the leading French group of engineering and management schools. The excellence of its programs and its research activities place it among the top ten Engineering institutions in France and in the most important international rankings (Shanghai, QS, THE). With more than 30% international students and over 70 nationalities represented, IMT Atlantique has always made internationalization a priority. The school welcomes students on its three campuses located in Brest, Nantes & Rennes; young and dynamic cities where the cost of living remains attractive, with quiet and green environments. Many activities are organized for international students such as: French Summer School, integration week, French language and culture courses, Masters programs taught in English courses, simplified application procedure, FAQ, accommodation on its campuses...
