'BIENVENUE EN FRANCE' LABEL

INSTITUT CATHOLIQUE DE LYON

- UCLy -

The 'Bienvenue en France' Label is awarded to higher education institutions that develop quality-driven services for international students. Such services include comprehensive information, orientation and welcome services, tutoring, campus life, as well as post-graduate support. In addition, a proven commitment to sustainable development and social and environmental responsibility must be provided.

Every year, UCLy welcomes about 20% of international students who join us for an academic exchange, a degree or certification program, or French Language and Culture programs. International culture is at the heart of UCLy!

We make it a priority to provide international learners with a warm welcome and support. In this respect, whatever your type of mobility, you can count, throughout the year, on the International Student Desk (ISD), a reception and information center, to help you with all administrative matters, and on the Pôle International to take part in a wide range of cultural and festive activities, encouraging you to discover the local and regional environment.

Students who wish to do so can join the Buddy Program, developed to strengthen ties between local and international students.

All student services are available to international students: housing, health, sports, associations, etc.
