The "Bienvenue en France" label is awarded to institutions offering international student services that meet standards of quality pertaining to information, reception upon arrival, study aids, campus life, and alumni networking. Institut Catholique de Lyon - UCLy -, was awarded the "Bienvenue en France" label at level 2 for four years on 17/05/2023.

Every year, UCLy welcomes about 20% of international students who join us for an academic exchange, a degree or certification program, or French Language and Culture programs. International culture is at the heart of UCLy! We make it a priority to provide international students with a warm welcome and support. In this respect, whatever your type of mobility, you can count, throughout the year, on the International Student Desk (ISD), a reception and information center, to help you with all administrative matters, and on the Pôle International to take part in a wide range of cultural and festive activities, encouraging you to discover the local and regional environment. Students who wish to do so can join the Buddy Program, developed to strengthen ties between local and international students. All student services are available to international students: housing, health, sports, associations, etc.
