The "Bienvenue en France" label is awarded to institutions offering international student services that meet standards of quality pertaining to information, reception upon arrival, study aids, campus life, and alumni networking. Aix Marseille Université, was awarded the "Bienvenue en France" label at level 2 for four years on 16/10/2019.

Aix-Marseille Université is particularly keen to welcome its international students. AMU is committed to provide a proximity service both at the beginning of the academic year, with the organisation of the Welcome Desk, and throughout the academic stay, by providing specialised services on each campus and in each faculty. International students are supported in a hybrid approach to carry out all administrative formalities related to their installation in France, as well as in their integration into student life at the university.
