The "Bienvenue en France" label is awarded to institutions offering international student services that meet standards of quality pertaining to information, reception upon arrival, study aids, campus life, and alumni networking. Université Bordeaux Montaigne, was awarded the "Bienvenue en France" label at level 2 for four years on 04/12/2019.

Bordeaux Montaigne University brings together 18,000 students and 1,300 teaching and administrative staff, for study and research in the arts, languages, literatures and human and social sciences. Its 3 faculties and 2 institutes (the University Institute of Technology and Institute of Journalism) offer 138 national degrees.

As a laboratory for ideas, and an intellectual hotbed, Bordeaux Montaigne University contributes meaningfully to the scientific debates of its day and works tirelessly to cultivate and nurture its fundamental values: independence, and freedom of thought. The university considers equality of opportunities to be one of its priority missions, and works permanently to perfect the courses it offers, and to support and guide its students towards success.

Now so more than ever before, Bordeaux Montaigne University seeks to follow in the path of Michel de Montaigne, continuing to offer a university model that is distinctly human in its scope and appearance. In accordance with the values that have characterised it since its very establishment, the university seeks to be: humanist, exploratory, polyglot, civic-minded, creative and digitally connected.

WELCOME

ENROLLMENT
