The "Bienvenue en France" label is awarded to institutions offering international student services that meet standards of quality pertaining to information, reception upon arrival, study aids, campus life, and alumni networking. Université de Lille, was awarded the "Bienvenue en France" label at level 2 for four years on 16/10/2019.

The University of Lille is committed to developing a strong hospitality programme. ULille develops international cooperation through its many partnerships and exchange programmes both within the European Union and with non-member countries. ULille is located in the capital of a region of 6 million inhabitants, in the heart of Northern Europe in close proximity to several European capitals. ULille supports and encourages incoming and outgoing mobilities through its scholarship program MOBLILEX. Many events (Welcome and Farewell Days, International Student Week) contribute to the inclusion of international students in our community. The opening of the International House in 2019, the development of mobile apps designed for international students (ULillGo et ULillExplore) testify to the University of Lille's desire to welcome international guests.
