The "Bienvenue en France" label is awarded to institutions offering international student services that meet standards of quality pertaining to information, reception upon arrival, study aids, campus life, and alumni networking. Nantes Université, was awarded the "Bienvenue en France" label at level 3 for four years on 04/12/2019.

Nantes Université is a public higher education and research institution offering a model that is unique in France, with a university, a teaching hospital, a technological research institute, a national research organisation and a number of Grandes Écoles. These players work together to develop the areas of excellence in research in Nantes, particularly in the fields of health and the industry of the future.

As a member of the EUniWell European University of Wellbeing, Nantes Université is helping to build Europe and achieve the UN's sustainable development goals.
