

UNIVERSITÉ RENNES 2

The 'Bienvenue en France' Label is awarded to higher education institutions that develop quality-driven services for international students. Such services include comprehensive information, orientation and welcome services, tutoring, campus life, as well as post-graduate support. In addition, a proven commitment to sustainable development and social and environmental responsibility must be provided.

Rennes 2 University is a higher education institution where a range of courses in the arts, literature, languages, human and social sciences, and sports sciences coexist in a unique way in Western France. Our university contributes to both regional and national development and momentum through the variety of our programs, research and cultural vitality. As a source of reflection and creativity, the academic disciplines and fields of research at Rennes 2 allow our community, both students and scientists, to actively participate in major social issues. Our 20,000 students benefit from an exceptional and diversified linguistic offer of 18 foreign languages. International in outlook, Rennes 2 maintains close relationships with numerous higher education and research institutions on five continents and welcomes nearly 3,000 international students.
