INTERNATIONAL STUDENTS: FRANCE WELCOMES YOU

Despite travel restrictions due to the coronavirus pandemic, France has done everything to let you join your institution safely, whatever your country of origin. Whether you are a student in long-term or short-term studies, a student in an internship or a researcher, you are welcome to France. For more information, please check with the French consulate or your Campus France office.

How can I come to France?

Depending on your country of origin, the steps to follow are different.

Use this document to see in which area your country is included as of January 28, 2021. Please note, the areas are frequently updated according to the evolution of the pandemic.
