## INTERNATIONAL INSTITUTE FOR IMAGE & SOUND

PARIS - BORDEAUX - LYON - NANTES

Created 30 years ago by alumni from IDHEC (La Fémis), ENS Louis Lumière and film professionals, 3iS is a private higher education institution that prepares students for careers in cinema, audiovisual, sound, special effects, animated film, video games, motion design and live performance.

Creativity is at the heart of the professions in which we offer programmes. The school now welcomes 2,200 students each year, on more than 20,000 m2 of facilities entirely dedicated to the creative industries, within its 4 campuses in Paris, Bordeaux, Lyon and Nantes.

The employability of the students is the best guarantee of the quality of the training courses. At 3iS, the professional integration rate is 87% at the end of the first year after graduation.

### ◆ MAIN PROGRAMMES OF STUDY

BFA Filmmaking (3 year program)  
BA- Film & TV (3 year program)  
MFA Cinematography (2 year program)  
MFA Recording & Sound Production (2 year program)

### ◆ STRENGTHS

- Most of 3iS' programmes are recognised by the French State and registered in the French National Directory of Professional Certification (RNCP).
- The quality of the learning programme in line with the market is confirmed by the high level of employability of the graduates.
- The students work in technical conditions comparable to those of professionals, with an exceptional and constantly renewed stock of equipment (shooting, TV and live show sets, editing booths, recording studios, screening rooms, motion capture studios).
- 3iS benefits from the trust of the industry (teaching by active professionals, more than 3,500 partner companies, approved internships, numerous educational partnerships).

- The school fully embraces the international dimension: welcoming students from all over the world, teaching languages (French and English), encouraging international mobility (internships, further studies), increasing number of partnerships around the world, member of Campus France and CILECT (a group of the world's leading film schools), signatory of the Erasmus + Charter.

### ◆ LOCATION

With more than 20,000 m2 of facilities spread over the Paris, Bordeaux, Lyon and Nantes campuses, 3iS is as a unique school with modern and spacious premises offering a range of cutting-edge professional equipment.
