EICAR was founded in 1972. The School has developed over the years to become a major European film and television school. Our mission is to prepare our students for the international job market. Eicar, a school whose expertise is widely praised by the industry, focus: - High level knowledge and skills, - The development of industry skills though teamwork and an emphasis on responsibility. A pedagogy based on practical experience and team working.

EICAR is part of a Quality plan through which we are committed to: - Allow students to identify their career plans. - Ensure both technical and relevant means for each program. - Entrust the training programs to working professionals and university graduate professors. - Develop the "School-Employers” relationships to anticipate societies’ needs in terms of skills, in order to encourage employability.
