GROUPE ESRA

Created in 1972, the ESRA group offers programs in the fields of film and television, sound and music and animation. It is based in Paris, Nice, Rennes and Brussels.

Bachelor programs :

- ESRA for the film and TV
- ISTS for Sound and music
- ESRA Animation for 3d animation and computer graphics

These programs are spread over three years. The training courses offered are both practical and theoretical from the first year and include internships in the workplace. After a common core for the first two years, ESRA offers the possibility in third year to choose a speciality.

After a Bachelor :

- Script and Directing Master degree
- Production and Distribution Master degree

Since 2007, ESRA graduates can follow a fourth optional training course in New York.

ESRA also offers introductory trainings for high school students and for foreign students over the summer.

Professionals and adults can follow courses lasting from one week to eight months, as part of a reorientation or to improve their abilities.
