L'ÉCOLE DU JEU VIDÉO & DE L'ANIMATION 3D-FX
PARIS - NICE - MONTRÉAL - TOKYO

A school, 3 universes to train the professionals of tomorrow!

As a pioneer for 21 years in higher education for creative and technological professions in Video Games and 3D-FX Animation, ISART Digital is an international school based in Paris, Nice, Montreal, and in partnership with the Tokyo University of Technology.

The school is ranked as the 2nd best school in the world by the American website GAMEducation.

ISART Digital's three universes meet all the needs of the digital entertainment industry by creating professional training programs tailored to creative professions (ISART CREATIVE SCHOOL), scientific and technical professions (ISART SCIENCE & TECH GAME SCHOOL), and management professions (ISART GAME BUSINESS SCHOOL).

This reputation has been reinforced by a record of 6 consecutive selections at the Seattle UNITY Awards, two Pégases awards, and a nomination at The Game Awards in Los Angeles.

With over 500 partner companies, professional experience is at the heart of the studies.
