Mod’Art International, a top Parisian School of Fashion, with an international calling, trains future leaders and key market players of the textile, accessories and luxury industries.

Mod’Art International is a leading institution offering Bachelor, Master of Arts and MBA programs in Fashion Design and Fashion Management. Through multiple interdisciplinary projects, Mod’Art International offers a unique opportunity to fashion designers and fashion managers to collaborate and extend their professional skills.

Located since 2016 in modern and vast premises bathed of lights close to the Eiffel Tower, the school welcomes students, both national and international, in exceptional work conditions and environment. This diversity of cultures and origins boosts the students openness and creativity.

By adapting its curriculum to the technical, economic and creative global evolutions of the fashion industry, Mod’Art provides an ultimate training to be prepared to occupy positions in an evolving workplace while meeting demanding academic requirements of the awarding of recognized French State degrees.

**MAIN PROGRAMMES OF STUDY**

**FASHION MANAGEMENT**
This programme is for students who love fashion and who want to work in the marketing, commercial, digital, buying and production side of the fashion houses. The courses work around three main areas of fashion: fashion culture, art and luxury: marketing, communication, digital and retail management.

The International aspect of the programme is re-enforced by the possibility to follow the cursus in English, to study abroad and follow the International seminars in the 4th year.

**FASHION COMMUNICATION**
This programme aims at preparing fashion lovers to become transmedia communication managers. Through this programme students acquire skills in digital, audiovisual and visual communication as well as a solid culture in fashion, art and luxury. Multidisciplinary apprenticeships give students the possibility to deal with issues in the constantly changing fashion sector looking for talented people capable of finding a communication strategy, to create and animate a web site or social media sites with contents, photos and videos knowing how to elucidating fashion trends.

**FASHION DESIGN AND PATTERN MAKING**
This programme prepares students to be able to design collections of clothes and accessories taking into account the style and the brand image. They learn how to define a collection trend, make sketches and prototypes, as well as order the collection products and participate at the promotion.

Students show their designs during a Fashion show at the end of the 3rd or 4th year. Those who wish to create their own brand or line will expose at the end of the 5th year.
