Founded in 1900, Audencia Business School is among the best management schools in Europe, with programmes consistently ranked among the top in the world by the Financial Times and The Economist. Accredited by EQUIS, AACSB and AMBA, Audencia belongs to the select group of less than 1% of business schools that hold all three of these major international accreditations.

The first management school in France to join the Global Compact initiative of the United Nations and adhere to the UN’s Principles of Responsible Management Education, Audencia is committed to training and guiding future responsible managers and entrepreneurs. Audencia has agreements with over 200 reputable academic institutions worldwide, as well as with more than 700 national and international companies. The school welcomes around 6,000 students of over 100 nationalities on its programmes.
