RESEARCH
The OCRE (the Observatory and Research Center in Entrepreneurship) is the research center of EDC PARIS. All EDC's associate and assistant professors are members of the OCRE whose scientific board is composed by international professors in entrepreneurship and management. Researchers are focused mainly on two fields: entrepreneurship and decision-making tools for SME’s managers. More specifically, researchers deal with opportunity identification, corporate entrepreneurship, social entrepreneurship, innovation, micro finance, corporate governance and sustainable development.

STRENGTHS
- Master's degree and Member of the Conférence des Grandes Ecoles
- An individualized accompaniment of the students
- Implementation of courses of excellence from the 1st year combining academic quality, international openness and field experience
- Our international partnerships and double degree agreements in France and abroad
- The power of a large alumni network (over 15,000 alumni in 74 countries)
- Close collaboration with the luxury and sports sector

LOCATION
Ideally located in La Défense, the busiest and largest district in Europe, which facilitates contacts and opportunities with the business world, EDC PARIS is just a 10 minute metro ride from Paris legendary landmarks.
