**ESC**  
CLERMONT  
**BUSINESS  
SCHOOL**

CLERMONT-FERRAND

ESC Clermont Business School offers international Bachelor and Master's Programs in both core and specialized fields of Management, Business and Commerce. Our main aim is to give students the necessary knowledge, experience and skills to help them to achieve their highest possible career goals.

The Bachelor, Master and Master of Science programs are available on a full-time basis and students may also opt for one of the work-study tracks. Our programs are fully accredited by the French Ministry of Education and our school is accredited by AACSB international, AMBA and EFMD Bachelor. ESC Clermont School of Management is also one of the 35 members of 'Conférence des Grandes Ecoles', the French non-profit organization which comprises the top business and engineering schools in France.

## ◆ MAIN PROGRAMMES OF STUDY

Bachelor in International Management: Candidates apply to the program with a High School Diploma or equivalent and follow a 3-year program.

This program is taught entirely in English. Students can also follow a French/English track which is progressively taught in English: 1st year 50% French / 50% English, 2nd Year 30% French and 70% English and the final Year: 100% English.

Candidates applying to the ESC with a 2-year university diploma or equivalent may apply directly to the final year of the program. In this case, the 3rd can be followed in French.

Programme Grande Ecole:

Students may enter the program with a bachelor's degree or equivalent. The Master in Management Program is fully accredited by the French Ministry of Education and leads to the ESC Clermont Master's degree (Diplôme de L'Ecole Supérieure de Commerce de Clermont).

Our program is aimed at preparing students for top-level posts in management.

This program is available in French and English:

- 1st Year, 1st semester in French
- 1st Year, 2nd semester in English
- 3rd Year in French or English

Master of Science:

The MSc. Programs are entirely taught in English and offer a fast-track Specialization course with work experience. There are 4 Master of Science Programmes offered.

The program is divided into 3 phases:

- Semester 1 : The fundamentals of Management
- Semester 2 : Specialization courses (see below)
- Final 4 months : internship or work placement

- Business Intelligence & Analytics
- Corporate Finance & Fintech
- International Commerce & Digital Marketing
- Project Management
- Purchasing & Supply Chain Management
- Strategy & Design for the Anthroposcience
- Transforming Mobility: Business Models & Vehicles for the Future

## ◆ RESEARCH

Our School has developed a research unit working with local companies and organizations as part of its applied research development policy.

Our research faculty is currently participating in an applied research project on the evolution of professions and skills for the APEC unemployment agency.
