

PAU

ESC PAU BUSINESS SCHOOL

ESCPAU
 BUSINESS SCHOOL
 FOR TOMORROWERS®

Created in 1969 by the Chamber of Commerce and Industry of Pau-Béarn, ESC Pau Business School is a the big human-sized school of management.

It is a member of the Conférence des Grandes Ecoles (made up of 40 leading French business schools) and delivers diplomas ranging from a A-level to a 5-year higher education diploma, all recognized by the State.

The Grande Ecole Master in Management and the Bachelor Business Developer are both approved by the Ministry of Higher Education and have the international EPAS accreditation by the EFMD.

Since 2017, ESC Pau BS has been developing an original pedagogical concept, called For Tomorrowers®, based on experimentation and coach learning. Through this concept, graduates will be able to anticipate changes, constantly adapt to social and economic mutations and solve complex problems using creativity, while focusing on the circular economy.

◆ MAIN PROGRAMMES OF STUDY

- Bachelor Business Developer, which validates a 3-year higher education diploma

- Grande Ecole Master in Management, which validates a 5-year higher education diploma - including specializations taught in English such as International Finance, French Marketing Excellence and Global Sustainable Strategies

- Other Masters proposed by the Grande Ecole Master in Management: MSc and MBA

To detect its talents, ESC PAU BS has set up a selection test called For Tomorrowers® which is carried out remotely and includes a motivational interview.

◆ STRENGTHS

Academic excellence
Faculty consists of teacher-researchers, PhDs and doctoral students working in dozen academic fields (management sciences, economics, psycho-sociology, innovation, etc.) and more than 160 national and international professionals.
