INSEEC Grande École is part of the INSEEC U. group which brings together 16 schools in the fields of management, engineering, communication, political science and international relations.

INSEEC Grande École has been awarding the Master’s degree without interruption since 2005 and has been AMBA accredited since 2016. It is a member of the Conférence des Grandes Écoles (CGE) and of the Chapter of Management Schools which brings together the best French business schools (HEC, ESSEC, ESCP Europe, etc.).

**MAIN PROGRAMMES OF STUDY**

Today, INSEEC Grande Ecole offers a 3-year generalist program on 5 different campuses: Paris, Bordeaux and Lyon, with course programs in London and San Francisco.

**RESEARCH**

The INSEEC Grande Ecole faculty includes 60 permanent teacher-researchers and 300 lecturers, both teachers and professionals, who together ensure the quality of teaching to meet the expectations of students and companies.

**STRENGTHS**

INSEEC Grande Ecole’s training aims to prepare students for their first job as soon as they leave the school, but also for a second or third job... because this is now the reality of all professional life. Choosing INSEEC Grande Ecole means choosing to combine academic, international and professional experience.

An international dimension at every stage of the curriculum

All INSEEC Grande Ecole students spend two months in London in their first year (L3) and spend an academic semester in one of the 150 foreign partner universities in their second year (M1). They can also opt for one of the 7 international double degrees in the 3rd year (M2) or for an entrepreneurial experience in San Francisco.

Priority given to business and employability

Each year, INSEEC Grande Ecole offers 3,000 internship agreements or professional contracts of 1 to 12 months, 250 humanitarian and civic missions and 2 possible work-study options. It also brings together more than 500 companies during its various events and 14 people help students in the construction of their professional project.

Join a powerful and structured network of graduates

Joining INSEEC Grande Ecole means having access to a network of more than 24,000 graduates in key positions in 140 countries around the world... which contributes to the professional and personal success of each of its members by promoting career opportunities and meeting points.

**LOCATION**

The downtown locations (Paris, Bordeaux & Lyon) have an “architectural personality” that offers students a pleasant living environment and accommodation facilities, while being at the heart of the economic and cultural activities of each city.

A campus in the heart of Paris

Ideally located between the Canal Saint-Martin and the Parc des Buttes-Chaumont, the INSEEC Grande Ecole campus offers nearly 5,000 square meters in the heart of the capital. Easily accessible by transport, you have the best conditions to study in Paris.

A modern campus along the Garonne River

Not far from the Cité du Vin on the banks of the Garonne, the INSEEC Grande Ecole Bordeaux campus enjoys an exceptional location, served by all means of transportation available in the city.

A unique campus in Lyon

Housed in the legendary former Citroën industrial building, the campus brings together all of INSEEC U’s Lyon school campuses, just
