2iE is an International Institute of higher education specialized in the domains of Water and Sanitation, Civil Engineering and Hydraulics, Electrical Engineering, Environment and Sustainable Development, Management and Entrepreneurship. Bound to cultural diversity and social melting, 2iE welcomes students from about thirty countries and hosts 27% of women.

2iE proposes a classical training at the level Bachelors, Master and Doctorate, a continuing education and a professional online training offer.

2iE trains highly qualified engineers-entrepreneurs

**MAIN PROGRAMMES OF STUDY**

- **Bachelors of Water and Environment Engineering**: Water and Sanitation - Civil Engineering and Hydraulics - Electric and Energetic Engineering
- **Prep Courses to enter Grandes Ecoles** in partnership with EPF-Ecole d’Ingénieurs Française
- **Bachelors of Technology**: Maintenance, Management and Repair of Civil Engineering Equipment - Mining and Quarries - Quality, Hygiene, Security and Environment - Topo-Gis and Remote Sensing
- **Master of Engineering/2iE’s Engineering Degree**: Water and Sanitation - Civil Engineering and Hydraulics - Electric and Energetic Engineering
- **Advanced Master’s Degree in Water sanitation and Hygiene (Humanitarian WASH)/ Sanitary and Humanitarian Engineering**: Doctorate in Water, Energy and Environment Sciences

**RESEARCH**

- **5 laboratories** through programs oriented on sustainable development and green growth in Africa:
  - LEDES (Water, depollution, ecosystem, health)
  - LEAH (Hydrology and Water resources)
  - LBBB (Biomass Energy and Biofuels)
  - LESEE (Solar Energy and Energy Savings)
  - LEMC (Eco-Materials for Construction)

2iE has an International Doctorate School.

**STRENGTHS**

- 2iE is a Center of Excellence of ECOWAS (Economic Community of West African States), NEPAD (New Partnership for Africa’s Development, the World’s Bank).
- 2iE is member of academic networks: Association of African Universities (AAU), Campus France, Network of Excellence for Engineering Sciences of the Francophonie (RESCIF), Network of Francophone Universities (AUF), Founding Member of CAMES (African and Malagasy Council of Higher Education), Network of French Grandes Ecoles (CEG).

**LOCATION**

2iE is located in Ouagadougou, Burkina Faso. It has two campuses (Ouagadougou and Kamboinsé) built over 30,000 m².

**IDENTITY FORM**

- **Precise name of the institution**: Institut International d’Ingénierie de l’Eau et de l’Environnement (2iE)
- **Type of institution**: A nonprofit organization, recognized as being of public utility, 2iE has signed headquarter agreement with Burkina Faso Authorities.
- **City where the main campus is located**: Ouagadougou
- **Number of students**: 1 200
- **Percentage or number of international students**: 60%
- **Type and level of qualifications awarded**:
  - Bachelor’s degree
  - Master’s degree
  - Doctorate
- **French language courses**: Yes - for specific groups (English and Portuguese speaking students)
- **Programs for international students**: Yes - Foreign students = Non Burkinabe students
- **Programs in English**: Yes - On the Master’s cycle, some programs are taught in English
- **Registration fees/year** (for information only)
  - Family Rate: Bachelor 1 / CPGE 1: 1 300 000 FCFA - Bachelor 2 and 3 / CPGE 2: 1 800 000 FCFA - Bachelor of Technology 2 500 000 FCFA - Engineer 1 and 2: 2 500 000 FCFA
- **Advanced Master**: 3 500 000 FCFA
- **Postal address**: 1, rue de la Science - 01 BP 594 Ouagadougou 01 Burkina Faso
