

STRASBOURG

# ENGEEES

## ECOLE NATIONALE DU GÉNIE DE L'EAU ET DE L'ENVIRONNEMENT DE STRASBOURG

ENGEEES is a grande école that trains engineers and managers who are directly operational in the fields of water, environmental protection, infrastructure and spatial planning. It is a public institution associated with the University of Strasbourg.

ENGEEES programmes are delivered by its university lecturers and researchers, who are part of 4 Joint Research Units, and by more than 200 professional lecturers and external experts.

With 50 years of experience and close relations with professionals, ENGEEES provides a tailored response to the needs of companies and local authorities through its various training courses.

### ◆ MAIN PROGRAMMES OF STUDY

- Engineering degree - Prerequisite: 2-year undergraduate degree
- MS (Mastère Spécialisé, specialized master) in Drinking water and sanitation (EPA). 12-month specialized program. Prerequisite: 5 years of postsecondary study
- MS in Waste management, treatment, and recovery (GEDE). 12-month specialized program. The course is held at ENGEEES for the urban waste option, and at Mines Nancy (co-accreditation) for the industrial waste option. Prerequisite: 5 years of postsecondary study
- MS in Wastewater and Stormwater Management (URBEAUSEP). Co-accredited - the course takes place entirely at EIVP (Paris) for a 15-month period. Prerequisite: 5 years of postsecondary study
- Licence professionnelle in environmental protection, specialization in urban and rural water management. Prerequisite: 2-year undergraduate degree
- Diplôme d'Établissement Geomatics and Water Professions (GEME) - the course is entirely distance learning (co-accredited with ENSG (IGN)). Prerequisite: 3- or 4-year undergraduate degree
- Masters co-accredited by ENGEEES and partner universities
  - Engineering and Geosciences for the Environment - Master of Earth and Environmental Science (FR)

- Computational engineering – Master Sciences and Engineering. Taught entirely in English. Prerequisite: 3- or 4-year undergraduate degree.
- Energy Management and Law and Sustainable Development - Master of Economic and Social Administration (FR)
- Environmental Geography (FR)
- Observation of the Earth and Geomatics (FR)
- Water-Environment-Oceanography (WEO) - USTH (Vietnam)

### ◆ RESEARCH

ENGEEES is involved in 4 joint research units with the University of Strasbourg, CNRS and INRAE, focusing on urban hydraulics and water treatment (ICube-MecaFlu), surface and groundwater (ITES), the socio-economic aspects of water management (GESTE) and the restoration of aquatic environments (LIVE).

### ◆ STRENGTHS

- Sustainable development
- Quality
- Solidarity
- Expertise

### ◆ LOCATION

Strasbourg, in the north-east of France, very close to Germany, is a European capital and a cosmopolitan university city in the heart of Alsace. ENGEEES is located in the centre of Strasbourg, close to the university campus.

### IDENTITY FORM

- ◆ **Precise name of the institution**  
ENGEEES - Ecole nationale du Génie de l'Eau et de l'Environnement de Strasbourg
- ◆ **Type of institution**  
Public
- ◆ **City where the main campus is located**  
Strasbourg
- ◆ **Number of students**  
450
- ◆ **Type and level of qualifications awarded**  
Diplôme d'ingénieur (accredited by the French national commission on engineering degrees) ; Mastères spécialisés (accredited by the Conférence des Grandes Ecoles) ; Intern degree
- ◆ **French language courses**  
Yes - Yes, in connection with the University of Strasbourg
- ◆ **Programs for international students**  
No
- ◆ **Programs in English**  
Yes - 2 specialization courses taught in English in the 3rd year of the engineer diploma:
  - Hydrosystems
  - Wastewater treatment
- ◆ **Registration fees/year (for information only)**  
For engineering program 1,765 euro a year for nonscholarship students (2019). 4 290 € for international students beginning their studies in the institution, who do not meet any of the following conditions. Apprentice status for engineers in apprenticeship program. For specialized master's programs, from 6,750 to 9,750 euro
- ◆ **Postal address**  
1, cour des cigarières, 67000, Strasbourg
