The Ecole Spéciale des Travaux Publics, du Bâtiment et de l’Industrie (ESTP Paris) was founded in 1891 as a private higher education institution and officially recognized by the State in 1921. Today it has the legal form of a non profit making association with a status of public interest by the French government. ESTP Paris is an associate member of the higher education & research cluster (COMUE) UNIVERSITÉ PARIS EST. It also belongs to the n+i network. Distinctive features are: close links to industry, strong international relations, emphasis on equal opportunities & sustainable development.

◆ MAIN PROGRAMMES OF STUDY

The ESTP Paris offers a large variety of programmes at different levels:
• a two-year degree in construction site management "Conducteur de Travaux"
• a two-year degree in Construction Management "Bachelor Manager de la Construction"
• "diplôme d’ingénieur - master’s degree", with 4 possible majors: Building Engineering / Public Works / Topography-Geomatics / Mechanical and Electrical Engineering, Energy Efficiency
• Various Continuing Education programmes for adult professionals: 7 one-year professional specializations after a master’s degree leading to an institutional diploma "maitrise spécialisé" in topics linked to construction, real estate, BIM, ...
• PhD degrees
• International programmes

◆ RESEARCH

The ESTP Paris research activities are carried out in the framework of the "Constructibility Research Institute". "Constructibility" being defined as the "Study to optimize, right from the design of a project, the best construction or rehabilitation strategy for the civil engineering works or buildings. It takes into account the construction data and parameters and past experience to achieve the objectives and optimize the means, the costs and the delays. « To do more with less ».

◆ STRENGTHS

• In France, the ESTP Paris trains the biggest student flow for the construction industry (45000 alumni, 2600 students)
• Intensive courses & weekly refresher courses in French as a foreign language
• An international desk for administrative and pedagogical assistance
• An international student association (HiStudent) that assists foreign students with a buddy system
• Housing & student restaurant on campus or very near

◆ LOCATION

The ESTP Paris is divided into 4 campuses: Campus of Cachan: its historical campus is a seven hectare campus located at Cachan, in the inner suburbs of Paris. The Cachan campus is on the direct line of express trains, the «RER B», which directly connects the Roissy Charles de Gaulle and Orly airports.
Campus of Dijon: Dijon is located in the centre of the Paris-Lyon-Strasbourg triangle and boasts excellent road and rail links. It is 90 minutes from Paris and less than 2 hours from Lyon. It offers easy access to the Jura Mountains and the Alps.
Campus of Troyes: Located just 90 minutes from Paris by train, Troyes is a town on a human scale which offers an excellent quality of life while remaining affordable.
Campus of Paris: for the Continuing Education programmes only, the campus of Paris offers a space spanning over 1,000m2 right in the heart of the Opéra/Saint-Lazare district, which is central and accessible.
