

# INSA CENTRE-VAL DE LOIRE

**INSA** INSTITUT NATIONAL  
DES SCIENCES  
APPLIQUÉES  
CENTRE VAL DE LOIRE

**BLOIS ET BOURGES**

The INSA Centre Val de Loire is a public engineering school of the INSA Group. Located on the Blois and Bourges campuses in the Centre region, the Centre-Val de Loire INSA trains multidisciplinary and entrepreneurial landscape architects and engineers over five years, equipping them with an inclusive, open mind and a high level of scientific and humanistic knowledge.

## ◆ MAIN PROGRAMMES OF STUDY

The INSA Centre Val de Loire offers integrated 5-years MSc-Eng programs (the diplôme d'ingénieurs) in 4 specialities department, and a State Landscape Architect Degree :

- Energy, Risks, Environment - ERE (apprenticeship course)
- Industrial Risk Control - MRI
- Information Technology and Cybersecurity - STI (under student or apprentice status)
- Industrial Systems Engineering - GSI (under student or apprentice status)
- School of Nature and Landscape Architecture -ENP

The INSA Centre Val de Loire is authorised to award Master's degrees in conjunction with the Universities of Tours and Orléans.

Master taught in English:

- master's degree in fundamental physics
- International -Masters degree on « Electronics, Electrical Energy and Automatics » (3EA), with the University of Tours.

## ◆ RESEARCH

The INSA Centre Val de Loire develops a cutting-edge multidisciplinary scientific policy.

The INSA Centre Val de Loire awards the PhD and carries out joint supervision of 6 laboratories :

- **GREMAN** : Research Group for Materials, Microelectronics, Acoustics and Nanotechnologies
- **LIFO** : Orléans Computer Science Laboratory
- **LIFAT** : Tours University Computer Science Laboratory
- **Gabriel LAME** : Laboratory of Mechanical Engineering
- **PRISME** : Multidisciplinary in the general domain of engineering sciences
- **CITERES** : Cities and Regions, Space, Society

## ◆ STRENGTHS

Ten good reasons to join the INSA:

- A public school that awards engineering degrees PhDs and state diploma in landscaping
- Strength in numbers: part of the INSA Group
- Five speciality departments
- Our values: equality, accessibility and excellence
- Customised follow-up of study paths
- International experience is a priority
- Partner companies
- Cutting-edge research
- Outstanding graduate employment record
- Thriving extracurricular life

## ◆ LOCATION

The INSA Centre Val de Loire is located at only 2 hours from Paris, on the Blois and Bourges campuses in the Loire Valley Region.

## IDENTITY FORM

### ◆ Precise name of the institution

INSA Centre-Val de Loire

### ◆ Type of institution

Public engineering school

### ◆ City where the main campus is located

Blois et Bourges

### ◆ Number of students

1700

### ◆ Percentage or number of international students

20%

### ◆ Type and level of qualifications awarded

5-year MSc-Eng programs, state diploma in landscaping, Master, PHD

### ◆ French language courses

Yes - french classes during the academic year - summer school in august

### ◆ Programs for international students

Yes - <http://www.insa-centrevaldeloire.fr/en/education>  
<https://www.insa-centrevaldeloire.fr/en/bilingual-international-stream>

### ◆ Programs in English

Yes - "International Masters degree on « Electronics, Electrical Energy and Automatics » (3EA)

### ◆ Registration fees/year (for information only)

The registration fees depend on your course of study, your level (bachelor, master), your situation and your nationality  
601€ - 2770€ - 3770€ - 5000€

### ◆ Postal address

Campus de Blois  
3 rue de la Chocolaterie  
CS 23410  
41034 Blois cedex  
Campus de Bourges  
88 boulevard Lahitolle  
CS 60013  
18022 Bourges cedex
