

TOULOUSE

INSTITUT NATIONAL DES SCIENCES APPLIQUÉES DE TOULOUSE

INSA
TOULOUSE

Institut National des Sciences Appliquées de Toulouse (INSA) is a public institution of a scientific, cultural and professional nature, under the authority of the ministry in charge of higher education, accredited by the Commission des Titres to award the diplôme d'ingénieur. Founded in 1963, INSA Toulouse is part of a network made up of 6 INSAs based in Lyon, Rennes, Rouen, Centre Val de Loire and Strasbourg. The school has 2 main missions: train engineers formally and in continuing education and develop research. INSA has a Director appointed by the National Ministry of Education, for 5 years. Three councils, 5 commissions and a management committee help him accomplish his mission. The school has 7 departments and 2 centers for 8 specializations and participates in 8 research labs. The institute provides academic services, research and is involved internationally.

◆ MAIN PROGRAMMES OF STUDY

8 specializations at INSA, Toulouse, starting with the 4th year:

- Chemical Engineering and environment
- Biological engineering
- Civil engineering
- Mechanical engineering
- Automatic control, Electronics
- Computer Science and Networks Engineering
- Applied Mathematics
- Applied Physics

◆ RESEARCH

- 8 research laboratories on campus (including six linked with the CRNS and one with INRA)
- 250 PhD students
- 6 Doctoral schools
- 7 Research Master specialisations, co-accredited with other establishments in the Midi-Pyrenees

◆ STRENGTHS

- Students: 3200 including 2,600 engineers

- Over 600 graduates each year
- Over 13,000 in Toulouse
- 700 foreign students of more than 50 nationalities
- 260 Permanent teaching faculty and researchers
- 390 Administrative staff and technicians
- 8 specializations
- 8 laboratories
- 6 doctoral schools
- 1 SAIC (Service d' industrial activities and commercial)
- Campus area: 21,6 hectares
- Building area
- 84,000 square meters including 40,000 square meters for teaching
- 14,000 square meters for research,
- 30,000 square meters for housing: campus includes 35 buildings.

IDENTITY FORM

- ◆ **Precise name of the institution**
Institut National des Sciences Appliquées de Toulouse
- ◆ **Type of institution**
Public
- ◆ **City where the main campus is located**
Toulouse
- ◆ **Number of students**
2 800
- ◆ **Percentage or number of international students**
600
- ◆ **Type and level of qualifications awarded**
LMD - Other national diplomas: engineering degree
- ◆ **French language courses**
Yes
- ◆ **Programs for international students**
Yes - <http://www.insa-toulouse.fr/en/international/studying-at-insa-toulouse.html>
- ◆ **Programs in English**
Yes - http://www.insa-toulouse.fr/en/international/studying-at-insa-toulouse/programmes_in_english.html
- ◆ **Registration fees/year (for information only)**
600 euros to 9000 euros
- ◆ **Postal address**
135 avenue de Ranguel - 31077
Toulouse cedex 4
