**RESEARCH**

ISA Lille gathers 5 research Units, that are themselves part of larger national research laboratories

- Unit Soil and Environment - LGcGE Laboratory
- Unit GRECAT: Research Group and Study on Farming and Territories
- Unit Food Quality: sensory analysis and process engineering - Charles Violette
- Unit Biotechnology and Management of Pathogens in Agriculture - Charles Violette
- Unit CASE: Animal Behavior and Livestock Systems

**STRENGTHS**

ISA Lille is located on Lille Catholic University's campus, in the city center.

The university campus is equipped with many facilities: 12 residence halls, 4 restaurants, 13 libraries, a sports complex, a medical center, more than 300 students associations, etc.

ISA provides the international students a tailor-made welcome program and an individual accompaniment all along their stay in France. intensive French and intercultural communication courses, integration with students associations, buddy systems, academic supervision and mentoring, assistance with all administrative and logistic procedures for the stay in France, etc.

**LOCATION**

Lille is located in the heart of a Euroregion. Often called ‘the crossroad of Europe’, Lille gives the opportunity to easily visit the western part of Europe: by high-speed train (TGV), it is only 1 hour from Paris, 38 minutes from Brussels, 1h20 from London, 2 hours from Amsterdam and Koln. Lille airport also offers regular flights to other European cities Madrid, Rome, etc.

Europe is at your doorstep! Living in Lille allows the opportunity to easily visit the western part of Europe: by high-speed train (TGV), it is only 1 hour from Paris, 38 minutes from Brussels, 1h20 from London, 2 hours from Amsterdam and Koln. Lille airport also offers regular flights to other European cities Madrid, Rome, etc.

Lille is the tenth largest city in France and the fourth tourist destination. Regional Capital, classified City of Art, European Cultural Capital in 2004, Lille is considered an excellent cultural center. Lille is the heart of a dynamic region. Often called ‘the crossroad of Europe’, Lille gives the opportunity to easily visit the western part of Europe: by high-speed train (TGV), it is only 1 hour from Paris, 38 minutes from Brussels, 1h20 from London, 2 hours from Amsterdam and Koln. Lille airport also offers regular flights to other European cities Madrid, Rome, etc.

**IDENTITY FORM**

- Precise name of the institution: ISA Lille
- Type of institution: Private
- City where the main campus is located: Lille
- Number of students: 1 200
- Percentage or number of international students: 20%
- Type and level of qualifications awarded:
  - Master of Science and Engineering with majors in Agriculture, Food Science and Environmental Sciences
  - Bachelor of Science in Environmental Sciences
  - Bachelor and Master degrees in Environmental Sciences

**French language courses**

Yes - The school offers free language classes to all the international students: a 12-hour intensive class at the beginning of each academic semester and a 2-hour weekly class all along the year.

**Programs for international students**

Yes - All ISA programs are open to international students (provided that they meet the language and academic prerequisites to follow the major chosen).

**Programs in English**

Yes - Master of Science and Engineering with majors in Food science (majors in R&D, product development, quality, safety), in Management of Pollution, in Marketing, Trade and Consumer and in Sustainable Agriculture (smart farming).

**Registration fees/year**

(for information only) 10 000 €

**Postal address**

48 boulevard Vauban - BP 41290 - 59014
LILLES Cedex - FRANCE
