◆ LOCATION
Château Gombert technology park (Polytech Marseille and Centrale Marseille)

IDENTITY FORM
◆ Precise name of the institution
Institut Supérieur du Bâtiment et des Travaux Publics
◆ Type of institution
Operated by Marseille chamber of commerce and industry
◆ City where the main campus is located
Marseille
◆ Number of students
20/40
◆ Percentage or number of international students
50%
◆ Type and level of qualifications awarded
Engineering degree for the programs CTI - Diploma of the establishment for other programs in engineering
◆ French language courses
No
◆ Programs for international students
No
◆ Programs in English
No
◆ Registration fees/year
(for information only)
6500 Euros
◆ Postal address
5, rue Enrico Fermi 13453 Marseille Cedex 13
