IMT Atlantique is a Graduate Engineering School recognized internationally as a leading Technological University. Ranked among the top 10 “Grandes Écoles” in France, it is also listed in prestigious worldwide rankings. Created on January 1, 2017 following the merger of Mines-Nantes and Telecom Bretagne, its ambition is to combine digital technologies, environment and energy to shape the society and the industry 4.0. IMT Atlantique is a member of IMT, the largest group of public Engineering and Management Graduate Schools in France.

**MAIN PROGRAMMES OF STUDY**

**Masters of Science in Engineering**
- Taught in French

**International Masters of Science**
- Taught in English
- Process and Bioprocess Engineering (PBPE)
- Nuclear Engineering (NE)/Energy Production/ Waste Management/Medical Applications)
- Information Technology (IT)/Data science/ Architecture and ingeneering for the IoT/ Communication system and network engineering)

**Erasmus Mundus European Joint-Masters Courses**
- Management and Engineering for Environmental and Energy Engineering (ME3+)
- Safe and Reliable Nuclear Applications (SARENA)

**Post-Graduate Professional Certificates**
- Information and communication technologies and Renewable marine energy.

**Short Programs**

**PhD Programs**

**RESEARCH**
Partnerships with France’s major research organizations, including INSERM and CNRS. Fields of excellence: Digital technologies, energy and environment.

**STRENGTHS**
- Close links with industries
- High employment rate after graduation.
- Top-excellence research collaborations, cutting-edge labs, equipment and facilities
- Worldwide network of prestigious academic partners

**Campus life**
- Green and peaceful campuses, on-campus student housing guaranteed, sports facilities, clubs.

**Special services for international students**
- Welcome week, intensive French language and intercultural courses - Small classes and active teaching methods; minimum 6-month paid internship in company or lab. “Bienvenue en France” label with *** awarded by Campus France

**LOCATION**
IMT Atlantique spans three campuses in France.

**Brest**
- Located on the extreme West part of France (Brittany). The campus is located on the seaside and is considered as one of the most beautiful in France.

**Nantes**
- France’s sixth-largest city, and has been awarded several prizes for its quality of life. Nantes is located just 35mn from the Atlantic coast, 2 hours from Paris.

**Rennes**
- Brittany’s capital city and one of the main students’ cities in France. It is also renowned for its beautiful medieval center.

**IDENTITY FORM**
- Precise name of the institution
  IMT Atlantique - FRANCE
- Type of institution
  Public
- City where the main campus is located
  Brest, Nantes, Rennes
- Number of students
  2300
- Percentage or number of international students
  40%
- Type and level of qualifications awarded
  Masters of Science in Engineering, Erasmus Mundus Programs
- Registration fees/year
  (for information only)
- Programs for international students
  Yes - French Summer School (1 month during the Summer)
- Programs for international students
  Yes - Contact: international@imt-atlantique.fr
- Programs in English
  Yes - International Masters of Science, Erasmus Mundus Programs
- Registration fees/year
  (for information only)
- Tuition fees vary according to the program and student’s profile
- Postal address
  Campus de Brest, Technopôle Brest-Iroise, CS 83818, 29238 Brest Cedex 3 FRANCE - Campus de Nantes, 4 rue Alfred Kastler, BP 20722, 44307 Nantes Cedex 3 FRANCE - Campus de Rennes, 2 rue de la Châtaigneraie, CS 17607, 35576 Cesson Sévigné Cedex FRANCE
