

# VETAGRO SUP

MARCY L'ETOILE (69)/LEMPDES (63)

Institute of higher education and research for the training of Veterinary Doctor, Agricultural Engineer and Official Veterinarians.

VetAgro Sup develops training and research activities that are naturally in line with the key thematic «Global Health», a rising from the interface between human, animal and environmental health.

## ◆ MAIN PROGRAMMES OF STUDY

Agricultural Engineer (bac+5)  
Veterinary Medicine  
Veterinary Services

## ◆ RESEARCH

9 Mixed Research Units (UMR), 3 VetAgro Sup own Units and 6 Individual Scientific Activities (ASIs).

Research activities are developed around 3 axes: guiding the transition of Food Processing and Agricultural Production's Systems; promoting quality of life and fighting crippling diseases for men and animals; tackling health risks.

## ◆ STRENGTHS

- Quality training certified by the Commission on Engineering Qualifications (CTI) and International Accreditations: EUR-ACE for the engineering course, AEEEV and AVMA for the veterinary course
- Relations with the socio-economic world (apprenticeship education, hosting of companies on both sites, research contracts/expertise services with more than 60 partners)
- Member of the University of Lyon (UdL) and the University of Clermont Auvergne and Associates (UC2A)
- More than 80 academic partners in 40 countries

## ◆ LOCATION

2 campuses located in two attractive cities: Lyon, first student city in France, and Clermont-Ferrand, a campus close to the nature in a community of 42.000 students.

## IDENTITY FORM

- ◆ **Precise name of the institution**  
VetAgro Sup
- ◆ **Type of institution**  
Institute of higher education and research
- ◆ **City where the main campus is located**  
Marcy l'Etoile (69)/Lempdes (63)
- ◆ **Number of students**  
1200
- ◆ **Percentage or number of international students**  
5%
- ◆ **Type and level of qualifications awarded**  
Professional Bachelor degree, Master Degree, Agricultural Engineer, Veterinary medicine, Veterinary inspector
- ◆ **French language courses**  
Yes - French as a Foreign Language (FLE) course for international exchange students
- ◆ **Programs for international students**  
No
- ◆ **Programs in English**  
Yes - English courses in semester 8 of engineering training, clinical internships (Equine Externship), individual internships and summer schools, Master Global Quality in European Livestock Production (GloQual)
- ◆ **Registration fees/year (for information only)**  
Engineer curriculum: about 1500€/year  
Veterinary curriculum: about 2400€/year
- ◆ **Postal address**  
1 Avenue Bourgelat 69280 Marcy l'Etoile France
