FRANCE ÉDUCATION INTERNATIONAL

FRANCE
ÉDUCATION
INTERNATIONAL

France Education International is a French public administrative institution of the Ministry of Education, Higher Education and Research.

- Support for the promotion of the French language around the world:
- international mobility:
- cooperation education and training.

◆ MAIN PROGRAMMES OF STUDY

- **Supporting the use of French around the world**
- Identifying and setting up projects (reform of curricula, development of francophone bilingual sections, quality approach...), providing training for education practitioners (BELC universities, PRO FLE, training seminars on request).
- Assisting bilingual teaching projects and managing the *Fil du bilingue* website.
- Managing the *Qualité Français Langue Étrangère*

Assessment and certification:

- Management of diplomas for non-French-speakers corresponding to the proficiency levels set out in the **Common European Framework of Reference for Languages**: DILF, DELF and its specialised versions and DALF
- Management of the TCF and its specialised versions: TCF DAP/TCF ANF/TCF Québec.
- Designing *Ev@lang*, a language placement test available in French, English and Arabic
- Pedagogical and psychometric consulting (audit, training, qualification, test design support).

- International mobility

Languages and mobility:

- Mobility programmes for students and teachers
- European funded projects involving language policy and mobility.

Recognition of foreign qualifications (ENIC-NARIC France Centre):

- Issuing qualification recognition documents
- Promoting the European Higher Education Area's mobility tools
- Taking part in projects funded by the European Commission, which seek to share best practices.

- Cooperation in education and training

- Operating in the context of sector-based projects which are funded by bilateral or multilateral cooperation institutions.

- Helping implement France's public development assistance policy.

◆ STRENGTHS

- The **Qualité Français Langue étrangère certification** : almost 100 language centres are certified, 30% of which are affiliated to a high education institution.
- The **TCF for preliminary postsecondary admission (TCF DAP)**

◆ LOCATION

Sèvres and a center in La Réunion (contact in the Indian Ocean, East Africa, and Southern Africa).
