FRANCE LANGUE

PARIS - NICE - BORDEAUX

BIARRITZ - LYON - MARTINIQUE

Recognized as a French quality school (with the national label **Qualité Français Langue Etrangère**), France Langue has enjoyed a solid reputation in France and abroad for 40 years. We welcome students from all over the world (more than 100 nationalities are represented) at 6 schools: Paris, Nice, Bordeaux, Lyon, Biarritz and Martinique. What sets France Langue apart is our wide variety of programs offered in basic curricular formats, whether students seek to learn French, to prepare themselves for studying in France or enroll in a French university, to achieve a professional goal. The curricula are based on our 20-lesson general French language programme, for which France Langue has developed instructional methods, pacing, sequential progressions, and activities so that all students reach their desired level of French proficiency (according to the Common European Framework of Reference for Languages).
