# FRENCH IN NORMANDY

French in Normandy has earned the French government's seal of approval for quality in the teaching of French as a foreign language. The center is located in Rouen, the beautiful capital of Normandy, a city of art and history known for the beauty of its architecture, for its cathedral, and as the site of the trial of Joan of Arc. Open all year, French in Normandy offers courses in general French, as well as specialized courses in business French to individuals and small groups of up to four professionals. We offer combination programs that blend group and individual sessions. We are a TCF accredited testing center and a partner centre for DELF/DALF preparation courses examinations here in Rouen. Our excellent DEL/DALF preparation courses have seen French in Normandy students gain a 98% pass rate for DELF/DALF in 2017. Partnerships with l'INBP (Institut National de la Boulangerie et la Pâtisserie), l'École de Cuisine (Lycée Marcel Sauvage), « ESIGELEC » and Rouen Business School enable the center to offer students various possibilities for extending their studies in Rouen. Available programs lead to national diplomas in baking and pastry, as well as academic bachelor and Masters/MBA. The center's staff supports students throughout their stay, helping them to enjoy daily life in Rouen.
