ISPA AMIENS

ISPA (Higher Propaedeutic Institute of Amiens) is a higher education establishment registered with the Academy of Amiens' rectorate (RNE : 0802132H), and specializes in training non-native French-speaking students. We have been Qualité FLE labelled since 2015 and a member of Groupement FLE and Forum Campus France since 2018. We offer language immersion programmes with a dynamic, qualified team, and carefully devised teaching methodology designed to improve your French combined with various courses related to everyday life in order to promote your swift, efficient integration into French lifestyle. Three types of programmes are offered : foundation programmes, designed to prepare international students planning to pursue a French higher education curriculum and get a degree, FLE Course all year, from level A2 to B2 and Summer programmes to discover France and/or to prepare students to enter a curriculum in France. Those courses are taught by eager, qualified, competent teachers. Five of them hold PhD's and continue to actively take part in research projects in order to ensure they keep up with the latest advance in their particular field of expertise.

◆ MAIN PROGRAMMES OF STUDY

- **Foundation programme** (22 to 36 weeks, from A2/B1 - intensive) : preparation to pursue a higher education curriculum in France. Within that scope, our programmes are designed around three main requirements : acquiring language skills (aiming for level B2/C1), methodology skills, and a true understanding of French culture. We offer several specialties such as FLE, economics & business and art.
- **FLE course** (1 to 36 weeks, from level A2 to B2 - intensive) : true immersion in order to discover France and its culture, while efficiently improving your French. Every week, a new theme related to French culture and lifestyle, immediate

application of the language skills you learn, a training supplement through e-learning and a cultural activity !

- **Summer programmes** (4 to 6 weeks, from beginner level to B2 - intensive)

◆ STRENGTHS

- A **pleasant, highly affordable** environment
