ISIPCA, From senses to expertise
ISIPCA is the leading Graduate School of the Greater Paris Chamber of Commerce and Industry, dedicated to perfumes, cosmetics, and flavourings. Created by Jean-Jacques Guerlain 50 years ago, it provides French and foreign students, as well as industry professionals, with world-class expertise.

Students work with passionate professors and teachers who are experts in their field to acquire first-rate skills in scientific, technical applications, and marketing and business.

These high-level training programs, from Undergraduate to Postgraduate Programs -Licence, Master, MSc-, opens the door to specialised careers in the major luxury sectors: perfumery, cosmetics, food flavors.

Every year, ISIPCA enrolls more than 600 students including 27% of International students from all over the world. The employment rate is around 80% within 7 months.

ISIPCA has about 5,000 alumni including renowned professionals of the sector around the world.

ISIPCA also provides English-taught SPOCs and Summer Schools in the French Art of Perfumery, Cosmetics and Food Flavors.
