**UCA**  
UNIVERSITÉ  
Clermont  
Auvergne

CLERMONT-FERRAND

The university Clermont Auvergne is a multidisciplinary university which has 20 colleges, institutes and schools (included 2 engineering schools). We offer 165 educational trainings and we have a long tradition of receiving foreign students in the frame of our 500 cooperation agreement in Europe and in the rest of the world.

## ◆ MAIN PROGRAMMES OF STUDY

- Arts, languages, human and social sciences
- Law, economics and management
- Health and life sciences and environment
- Technologies and engineering sciences
- Fundamental sciences

## ◆ RESEARCH

The university has 2 health centers (a university hospital and the center Jean Perrin for cancer) and 41 research laboratories which 6 are recognized as excellence laboratories in the following fields : economy, volcanology, human and social sciences, materials and energy, digital and mathematics sciences. Furthermore, the University runs the project CAP 20-25 which aims is to work on 4 multi-disciplinary scientific challenges : sustainable agroecosystems in a context of a global change, innovative systems and services for transport and production, mobility as a key factor in health, disaster risk and socio-economic vulnerability.

## ◆ STRENGTHS

- Ranked among the 200 best world universities in the Shanghai ranking for scientific disciplines
- Ranked among the 200 most international universities by the Times Higher Education
- Ranked at the 14th of 44 best large student city in France
- A buddy system
- A welcome week organized by the city of Clermont-Ferrand
- Campuses close to city center
- An affordable cost of living

## ◆ LOCATION

The university central position in France and in Europe together makes it a perfect starting point for visiting other regions or countries. Paris, Montpellier and Bordeaux are 3 hours away by road and the city has an airport with international flights. The surroundings of Clermont-Ferrand offers a unique occasion to discover volcanoes through the 'Chaîne des Puys', classified as a UNESCO World Heritage site .
