

TROYES

UNIVERSITÉ DE TECHNOLOGIE DE TROYES

A public university and a member of the CPU, CGE, and CDEFI, UTT is one leg of a four-member network with the **Université de Technologie de Belfort-Montbéliard**, the **Université de Technologie de Compiègne** and the university of Sino-European Technology of the university of Shanghai. UTT's mission is Education, Research and Transfer of technology. It grants the **Diplôme d'ingénieur, master's and doctorate**. Founded in 1994, UTT has a dynamic international policy with special programs for foreign students.

The UTT is lead of the alliance Eut+ which gather 8 partners (Cyprus University of Technology, Cyprus ; Hochschule Darmstadt, Germany ; Riga Technical University, Latvia ; Technical University of Cluj-Napoca, Romania ; Technical University of Sofia, Bulgaria ; Technological University Dublin, Ireland ; Universidad Politécnica de Cartagena, Spain)

◆ MAIN PROGRAMMES OF STUDY

- Mechanical Engineering
- Industrial Engineering
- Materials: Technology and Economics
- Computing and Information Systems
- Networks and Telecommunications
- Control and Computer Engineering
- Materials and Mechanical

Curricular structure: semesters, Individually tailored curricula, transferable credits ECTS, 2 industry internships of 6 months each, programs for international students, training matched to the labor market.

◆ RESEARCH

UTT's research laboratories, all of which are affiliated with the CNRS, are organized within the Institut Charles Delaunay.

UTT's areas of excellence:

- Optimization of logistics and production
- Probabilistic and statistical methods for safety diagnostics and reliability
- Control and security of telecommunication networks

- Nanophotonics, plasmonics, and optical sensors
- Durability of mechanical system components
- Vulnerabilities, anticipation and prevention of major risks, crisis management
- Eco-design and life cycle analysis

◆ STRENGTHS

- Pick-up to the airport, housing reservation and set-up, assistance with administrative steps, visits of the university campus and the city of Troyes, student integration support
- Month-long intensive French language course before the beginning of each semester (August and February), French language courses during the academic year, science courses designed for foreign students, 30 courses taught in English, personalized tutoring, a dedicated office for research and corporate internships.
- Site visits, cultural and athletic activities, social life, international club, student mentors.

◆ LOCATION

An hour and a half from Paris in the heart of the Champagne region, where a rich historic past joins harmoniously with an industrial renaissance, UTT is located in the technology center of Troyes - a dynamic work environment and an excellent quality of life.

IDENTITY FORM

- ◆ **Precise name of the institution**
Université de Technologie de Troyes
- ◆ **Type of institution**
Public
- ◆ **City where the main campus is located**
Troyes
- ◆ **Number of students**
2500
- ◆ **Percentage or number of international students**
24 % Plus de 50 nationalités sont représentées
- ◆ **Type and level of qualifications awarded**
LMD Other national diplomas
- ◆ **French language courses**
Yes - Intensive French courses and throughout the semester.
- ◆ **Programs for international students**
Yes
- ◆ **Programs in English**
Yes
- ◆ **Registration fees/year (for information only)**
From 750 to 5000 euros. Tuition varies according to the scientific and linguistic level and with the services offered.
- ◆ **Postal address**
12, rue Marie Curie - CS 42060 - 10004 Troyes Cedex
