Created in 1907 in France, the ESSEC BUSINESS SCHOOL is an academic institution of excellence that has, in all its history, been illustrated by its pioneering spirit. ESSEC offers a wide range of programs to all those who wish to live an extraordinary learning experience, strengthen their talents, express their leadership and become high level managers. ESSEC is constantly striving to meet the challenges of cross-cutting knowledge and cutting edge knowledge with the world’s leading technology companies. Marked by a deep humanist tradition, ESSEC has made the link between economic life and society a major research topic and a fundamental issue in the training of responsible managers. In this way ESSEC affirms the need to put innovation, knowledge and value creation at the service of the general interest. ESSEC is accredited by AACSB and EQUIS.

ESSEC encourages its exceptional faculty, which brings together 142 research professors representing some 34 nationalities, to focus on both original and innovative subjects for organizations. Their works are published in the best international academic journals. Finally, ESSEC is part of the limited number of European academic institutions that offer a Ph.D program that attracts brilliant students from around the world.
