République Française
Campus France
A TOOL IN THE SERVICE OF INSTITUTIONS

- Common calendar to the different consular procedures;

STUDENTS MATCHING THEIR TRAINING
- pre-requisites detailed upstream by the institutions that select the applications;
- administrative validation of files by Campus France, respecting the prerequisites;
- access to candidates' online files and portfolio;
- final recruitment of students by the institutions in one click;
- online assistance, personalized follow-up by the CampusArt team;
- pre-writing by CampusArt pre-registration certificates;
- for the countries concerned: simplified and accelerated Study in France procedure reserved for students enrolled via CampusArt in institutions.
IN THE SERVICE OF STUDENTS
A TOOL IN THE SERVICE OF STUDENTS

- full and updated information on higher education, fields of study, degrees, institutions, and research, among other topics

- simple search for training by domain / keyword / level or by school among more than 650 programs offered: Public preparatory classes FLE + Art / Design, L (license), M (Master), Post-M or D (PhD), in public or private institutions all members of the Forum Campus France

- creation of a single online application file for several applications

- distance admission procedure without competition and without physical passage before a jury of equivalence
A TOOL IN THE SERVICE OF STUDENTS

- The application is free
- 1 online application accepted by ALL institutions in the network
- Supporting documents attached to the online file, clickable (diplomas, notes, ...)
- A common calendar
- 1 website to submit a personal portfolio viewable by institutions (original art work, a “museum of the imagination,” personal statement, CV, etc.)
- School admission proposals available on the CampusArt account of the student;
- for the students concerned: 1 simplified and accelerated study procedure in France reserved for students enrolled via CampusArt in the institutions.
CAMPUSART

PREREQUISITES

- Depending on the training, justify a baccalaureate level, 1, 2 or 3 years of higher education in art, design or architecture;

- Depending on the training, present your work online (personal website, blog, portfolio ...);

- Justify a medium level in French (except to enter certain formations such as preparatory classes);

APPLICATION FEES

The application is free. CampusArt management fees paid by the student to the Campus France Paris Agency, only if the student decides to accept the offer of registration made by the institution

+ Some institutions require applicants to pay a portion of their tuition upon acceptance of the offer of admission, refundable if not obtaining the visa
CAMPUSART
CONTENT OF THE APPLICANT'S ELECTRONIC FILE

- Student information and detailed CV

- Academic data: statement of grades, by discipline (from first year of postsecondary education to present), degrees, language test score (TCF or TEF test; DELF or DALF diploma)

- personal statement, letters of reference, link to online portfolio

- supporting documents certified as to authenticity and translated into French by an accredited translator)

Proofs attached to candidate electronic files and clickable
CAMPUSART PORTFOLIO

- **mandatory** for all applications to programs who ask for, in art or architecture

- **online**, active url in the candidate's file, or a **pdf** on CampusArt account: presentation of works on a blog or free portfolio, on a website built by you or link to a pdf including all the items requested. Free blogging solutions: www.behance.net, www.ultra-book.com/portfolios, http://cargocollective.com, ...

Composed of **3 chapters:**

- personal artistic works (± 20 works): drawings, sketches, models, photographs, 2D / 3D animation, sculptures, ... briefly describe the materials and intentions

- imaginary museum (± 10 works)

- possible additional documents ( recent language test, diplomas or transcript of the current year ...)
REGISTRATION FEES

Public universities
• Licence: 170 euros for students from the European Economic Area and Switzerland // 2,770 euros for international students outside the European Economic Area.
• Master: 243 euros for students from the European Economic Area and Switzerland, 3,770 euros for international students outside the European Economic Area.
• Doctorate: 380 euros

Exemptions are possible for students subject to differentiated fees. They can be offered on CampusArt by:
• host establishments according to their attractiveness strategy defined upstream. The exemptions offered by these establishments can be total or partial;
• diplomatic posts according to their budgetary envelope and their policy vis-à-vis excellent candidates or their university cooperation strategy.

Public Higher Schools of Art and Design and National Higher Schools of Public Architecture
• Diplôme National d’Art (DNA) - License degree: from 350 euros for students in public art schools
• Diplôme d’Etudes En Architecture (DEEA) - License degree: from 370 euros for students in public architecture schools
• Diplôme National Supérieur d’Expression Plastique (DNSEP) - Master degree: from 400 euros for students in public art schools
• Diplôme d’Etat d’Architecture (DEA) - Master degree: from 512 euros for students in public architecture schools
To these amounts may be added additional costs for specific services.

Public schools of art and architecture are not subject to differentiated fees.

Private schools
The cost of enrollment in private establishments is significantly higher (generally 3,000 to 20,000 euros per year).
COMMON CALENDAR
EXPENDABLE DATES ACCORDING TO THE NEEDS OF INSTITUTIONS

NOVEMBER THROUGH FEBRUARY
- Students compile applications online at CampusArt site
- Deadline for online applications and upload of supporting documents on CampusArt

FEBRUARY THROUGH MAY
