**The main thing is to start preparing for this as early as possible, before leaving your home country.**

### RESIDENCE PERMITS

#### WHAT YOU NEED TO KNOW

• If you have just arrived in France on a long-term VLS-TS student visa: you must **validate it online as soon as you arrive in France**, on the ANEF (Administration numérique pour les Etrangers en France - Digital Administration for Foreigners in France) website. This validation must be carried out within the three months following your arrival: <https://administration-etrangers-en-france.interieur.gouv.fr>

• If you have Algerian citizenship or you are a student holding a "concours" visa or a visa bearing the mention "carte à solliciter dans les deux mois" ("card to be requested within two months"): your request for a residence permit must be carried out at the Préfecture.

• If you hold a "mineur scolarisé" ("minor in education") visa and you have since attained your majority, you must request a residence permit directly on the ANEF website or at the *préfecture* of your place of residence within the two months following your attaining the age of legal majority: <https://administration-etrangers-en-france.interieur.gouv.fr>

Please note: if you wish to renew your residence permit or VLS-TS, you must make your request during the third month preceding the date of end of validity of your current residence permit, on the following website: <https://administration-etrangers-en-france.interieur.gouv.fr>

The following tutorial can help you with this procedure: <https://www.campusfrance.org/en/tutorials-to-help-international-students-in-their-application-process>
