This validation must be carried out within the three months following your arrival: https://administration-etrangers-en-france.interieur.gouv.fr

- If you have Algerian citizenship or you are a student holding a "concours" visa or a visa bearing the mention "carte à solliciter dans les deux mois" ("card to be requested within two months"): your request for a residence permit must be carried out at the Préfecture.

- If you hold a "mineur scolarisé" ("minor in education") visa and you have since attained your majority, you must request a residence permit directly on the ANEF website or at the préfecture of your place of residence within the two months following your attaining the age of legal majority: https://administration-etrangers-en-france.interieur.gouv.fr

Please note: if you wish to renew your residence permit or VLS-TS, you must make your request during the third month preceding the date of end of validity of your current residence permit, on the following website: https://administration-etrangers-en-france.interieur.gouv.fr
