**ACCOMMODATION**

Finding somewhere to live is not always easy. Rents are often high, and landlords require financial guarantees (such as a deposit). Nevertheless, there is a wide range of accommodation on offer: halls of residence that are exclusively reserved for students and managed by the CROUS, student halls and private lodgings, rooms in private homes, flatshares.

The main thing is to start preparing for this as early as possible, before leaving your home country.

RESIDENCE PERMITS

WHAT YOU NEED TO KNOW

- If you have just arrived in France on a long-term VLS-TS student visa: you must validate it online as soon as you arrive in France, on the ANEF (Administration numérique pour les Etrangers en France - Digital Administration for Foreigners in France) website. This validation must be carried out within the three months following your arrival: https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/

- If you have Algerian citizenship or you are a student holding a “concours” visa or a visa bearing the mention “carte à solliciter dans les deux mois” (“card to be requested within two months”): your request for a residence permit must be carried out at the Préfecture.

- If you hold a “mineur scolarisé” (“minor in education”) visa and you have since attained your majority, you must request a residence permit directly on the ANEF website or at the préfecture of your place of residence within the two months following your attaining the age of legal majority: https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/

Please note: if you wish to renew your residence permit or VLS-TS, you must make your request during the third month preceding the date of end of validity of your current residence permit, on the following website: https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/

Please refer to the following tutorial for help with this procedure: https://www.youtube.com/watch?v=iGha_yqND04

OPENING A BANK ACCOUNT

If you stay in France for more than 3 months, it will be much easier day-to-day if you open a bank account, online or in one of the bank agencies located in Grenoble.

In France, opening a bank account is a right: www.service-public.fr > Argent > Comptes bancaires> Droit au compte

ACCESSING HEALTHCARE

Accessing healthcare in France is almost free, but you must be insured. You must therefore be registered with the national health insurance programme.

Learn more: https://www.campusfrance.org > Getting Organized > Health

As a student, you can also take advantage of the university medical services. In these health centers where consultations are free, you will be greeted by a team of doctors and nurses who can give personalized advice about health and prevention.

That’s the case with Université Grenoble Alpes which has a Centre de Santé Universitaire, a university health center for its students. There are two locations:

- Centre de Santé - Saint-Martin-d’Hôères campus Address and phone: 180 rue de la Piscine, 38400 Saint-Martin-d’Hôères, 04 76 82 40 70.
- Centre de Santé in the Grenoble city center Address and phone: 10, rue Vassieux en Vercors, 38000 Grenoble, 04 76 72 67 88.

Learn more: https://centre-sante.univ-grenoble-alpes.fr/

TAKING OUT COMPLEMENTARY HEALTH INSURANCE (“MUTUELLE”)

We recommend you take out complementary health insurance in order to cover the totality of your health care costs, which are not all covered by the compulsory and free national health insurance programme.

Please note: options and levels of insurance vary from one insurer to another. In order to choose the complementary insurance that is best adapted to your situation and your budget, you can access more information on a student “mutuelles” price comparison website.

HOUSING INSURANCE

In France, housing insurance is mandatory. You can sign up for housing insurance called “garantie risques locatifs” - rental risk guarantee - at your bank or a private insurance company. Online subscription is often possible.

EMERGENCY NUMBERS

SAMU: Call 15 Emergency Medical Services
Police emergency: Call 17 in the event of violence, theft, robbery.
Fire Department: Call 18 in the event of fire, gas leak, water damage, natural catastrophe, or traffic accident.
Call 112: European emergency services number that’s accessible from anywhere in the European Union in addition to the French numbers above.

LEARNING FRENCH

Learning French is an opportunity that’s not to be missed! Find what works best for you:
- by consulting the Campus France site or the Français Langue Étrangère (FLE) - French as a foreign language - centers and universities which offer courses at all levels year-round: http://ecolesdetete.campusfrance.org
- by asking in your institution, at city hall, or in your host city’s Maison des Associations - community centers.

FINDING A JOB OR WORK EXPERIENCE

PLACEMENT

It is important that you have sufficient financial resources to come and study in France.

Working in France as a foreign student is possible within limits, namely for a maximum duration of 964 hours per year. This can therefore only be a way of earning supplementary funds.
