**The Maison Internationale is Université de Lille's single, multi-service reception desk for international students, doctoral students and academics.** It offers two types of support:

- the HelpDesk, which provides individual support with all administrative procedures;
- the WelcomeDesk, which promotes the integration of international students and doctoral students by organising cultural visits and social activities.

Address: Campus Cité scientifique -

Bâtiment A4, 59655 Villeneuve d'Ascq.

Hours: Monday to Friday from 8:45 am to 4:30 pm.

## ACCOMMODATION

**Finding somewhere to live is not always easy.**

Rents are often high, and landlords require financial guarantees (such as a deposit).

Nevertheless, there is a wide range of accommodation on offer: halls of residence that are exclusively reserved for students and managed by the CROUS, student halls and private lodgings, rooms in private homes, flatshares...

**The main thing is to start preparing for this as early as possible, before leaving your home country.**

**Université de Lille offers a range of housing solutions, as well as a guide to accommodation options that all students will find useful:**

- ULillGo: <https://ulillgo.univ-lille.fr> > Before your arrival > Looking for accommodation > Complete Housing Guide (in French or in English).

ULillGo is a mobile app for international students at Université de Lille. It is a genuine, comprehensive guide, in which students and doctoral students will find all the practical information they need.

### RESIDENCE PERMITS

#### WHAT YOU NEED TO KNOW

- If you have just arrived in France on a long-term VLS-TS student visa: you must **validate it online as soon as you arrive in France**, on the ANEF (Administration numérique pour les Etrangers en France - Digital Administration for Foreigners in France) website. This validation must be carried out within the three months following your arrival: <https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/#/>
- If you have Algerian citizenship or you are a student holding a "concours" visa or a visa bearing the mention "carte à solliciter dans les deux mois" ("card to be requested within two months"): your request for a residence permit must be carried out at the Préfecture.
- If you hold a "mineur scolarisé" ("minor in education") visa and you have since attained your majority, you must request a residence permit directly on the ANEF website or at the *préfecture* of your place of residence within

the two months following your attaining the age of legal majority: <https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/#/>

Please note: if you wish to renew your residence permit or VLS-TS, you must make your request during the third month preceding the date of end of validity of your current residence permit, on the following website: <https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/#/>

The following tutorial can help you with this procedure: <https://www.campusfrance.org/en/tutorials-to-help-international-students-in-their-application-process>
